ABOUT ME

I am a result-driven computer scientist from Dedan Kimathi University of Technology with a strong foundation in software development, cloud computing, and database management. Passionate about problem-solving and building reliable and high-performing systems, I have hands-on experience in developing web applications and working with APIs, MySQL, and Python through academic projects. I also love to mentor the youth.

SKILLS

Functional scripting language	Python,Java,C,bash	Intermediate level
Cloud computing concepts	Aware and have interacted with cloud computing and about to complete my first certificate in AWS cloud partitioning.	Strong interaction
Docker	I have interacted with the dockerization techniques where I have hosted my portfolio website using it	Intermediate level
Databases	Have interacted with various database concepts specifically with Mysql	Beginner level

EXPERIENCE

Smart Applications International External attachment	08/02/2025-09/05/2025
<ul style="list-style-type: none">I have been exposed to backend principles including hosting my portfolio website on Nginx on HTTPS.I have also been exposed to the basic principles of Docker and containerization and implemented it on my portfolio websiteI have managed to engage in collaborative teamwork with my fellow attaches to problem-solve the various tasks given.	
Study hub Internal attachment	01/2024-05/2024
<ul style="list-style-type: none">We collaborated to make an application website that would be a learning management system.We intended to research to find a way of interaction between scholars in their academic endeavors.It helped us interact with various API and connect it with Mysql as our database.	

VOLUNTEER

ST Gatugi Girls High Under IEEE	12/10/1024
<ul style="list-style-type: none">I mentored over 200 high school students regarding their career paths and also inspired some of them to pursue tech courses	

INTERESTS

- Exercise:** going to the gym 5 times a week
- Art:** I do drawing and painting for fun sometimes.
- Football:** hardcore fan of Arsenal FC.
